Variocar + Variocar-Viva  
Multipurpose trolleys

**Variocar<sup>®</sup>**

**Variocar**

# The classic and flexible multipurpose trolleys

with a licence for subsequent expansions thanks to the patented plug-in system.

## Variocar®-series

The unique and elegant trolley system with chromium plated steel frame in high quality and best processing. Variocar fulfills almost all requirements. Ideally suitable for doctor's practices, cosmetic studios, clinics, rehabilitation centers ...and more.

## Variocar® Viva series

Following the trend of airy furnishing designs the Variocar Viva trolleys are provided with an elegant aluminium chassis with discreetly striped structure, anodized to a matt silver finish.

White shelves, drawers and designer handles in 7 different colours blend harmoniously with a modern ambience. The multipurpose trolleys are available with plate widths 450 mm, 600 mm and 900 mm.

---

**Variocar®**

- solid, chromium plated chassis

**Variocar® Viva**

- elegant aluminium chassis

## The system components

- Sturdy square tubular with patented plug-in system. Retrofitting possible.
- High-quality, five-layer laminated plates with solid edges.
- Plates and drawers with high quality white coating.
- Slightly structured surfaces, cleaning resistant, non fading as well as resistant against numerous chemicals and easy to care.
- Drawers with special light telescopic guide rollers with click-in mechanism.
- Light swivel castors Ø 50 mm, Ø 75 mm or Ø 100 mm. Optionally fitted with brakes or also electrically conductive.
