RVS-100 Vital Signs Monitor + Thermometer

Quick Start Guide

۲

How to connect the Bluetooth Thermometer at the **RVS-1**00

۲

- **STEP 1.** After pressing the power switch, the monitor will begin an automatic self-diagnostic test and start-up. During this process, the monitor will check the battery status and for error messages etc. The device will make a sound and the Riester logo will appear on the screen.
- **STEP 2.** After the Riester logo disappears, the monitor will display the main user interface. Press SETTINGS and press ADVANCED tab.

STEP 3. Enter code 13579 and press OK.

۲

STEP 4. You are now in the GENERAL tab. Press SERVICE (Bottom Left).

STEP 5. Press the FACTORY tab.

STEP 6. Enter code 02468 and press OK.
